

## THE BEST ADDRESS IN CAPE TOWN

The Table Bay, opened in May 1997 by iconic former South African president, Nelson Mandela, is situated on the historic Victoria & Alfred Waterfront. Perfectly positioned against the exquisite backdrop of Table Mountain and the Atlantic Ocean, providing a gateway to Cape Town's most popular allures.

# THE ESSENCE OF THE ENCHANTING CAPE

A stay at The Table Bay affords guests' once-in-a-lifetime opportunities to be graced by the synergy of two oceans, witness South Africa's floral kingdom, take a trip to an island symbolic of our history, explore a natural wonder of the world and be captivated by the sheer beauty of the Cape's breathtaking sceneries or majestic mammals.

## THE LEGEND OF OSCAR

In pride of place at the entrance to The Table Bay, a sun-gold statue of a seal proudly welcomes guests. At first glance, the impressive seal sculpture is a fitting mascot – Cape Fur Seals are an integral part of harbour life at the Victoria & Alfred Waterfront, and seal-watching is an amusing pastime. But Oscar the Seal wasn't just another playful marine pup gambolling along the quayside.

Beneath the statue erected in his honour, an inscription reads: "Oscar" the Cape Fur Seal. The original protector and guardian of The Table Bay. Oscar's story is the stuff of legends, and inextricably intertwined with the history of the hotel. Guests can admire this iconic statue whilst enjoying lunch and a cocktail on Oscar's Terrace.

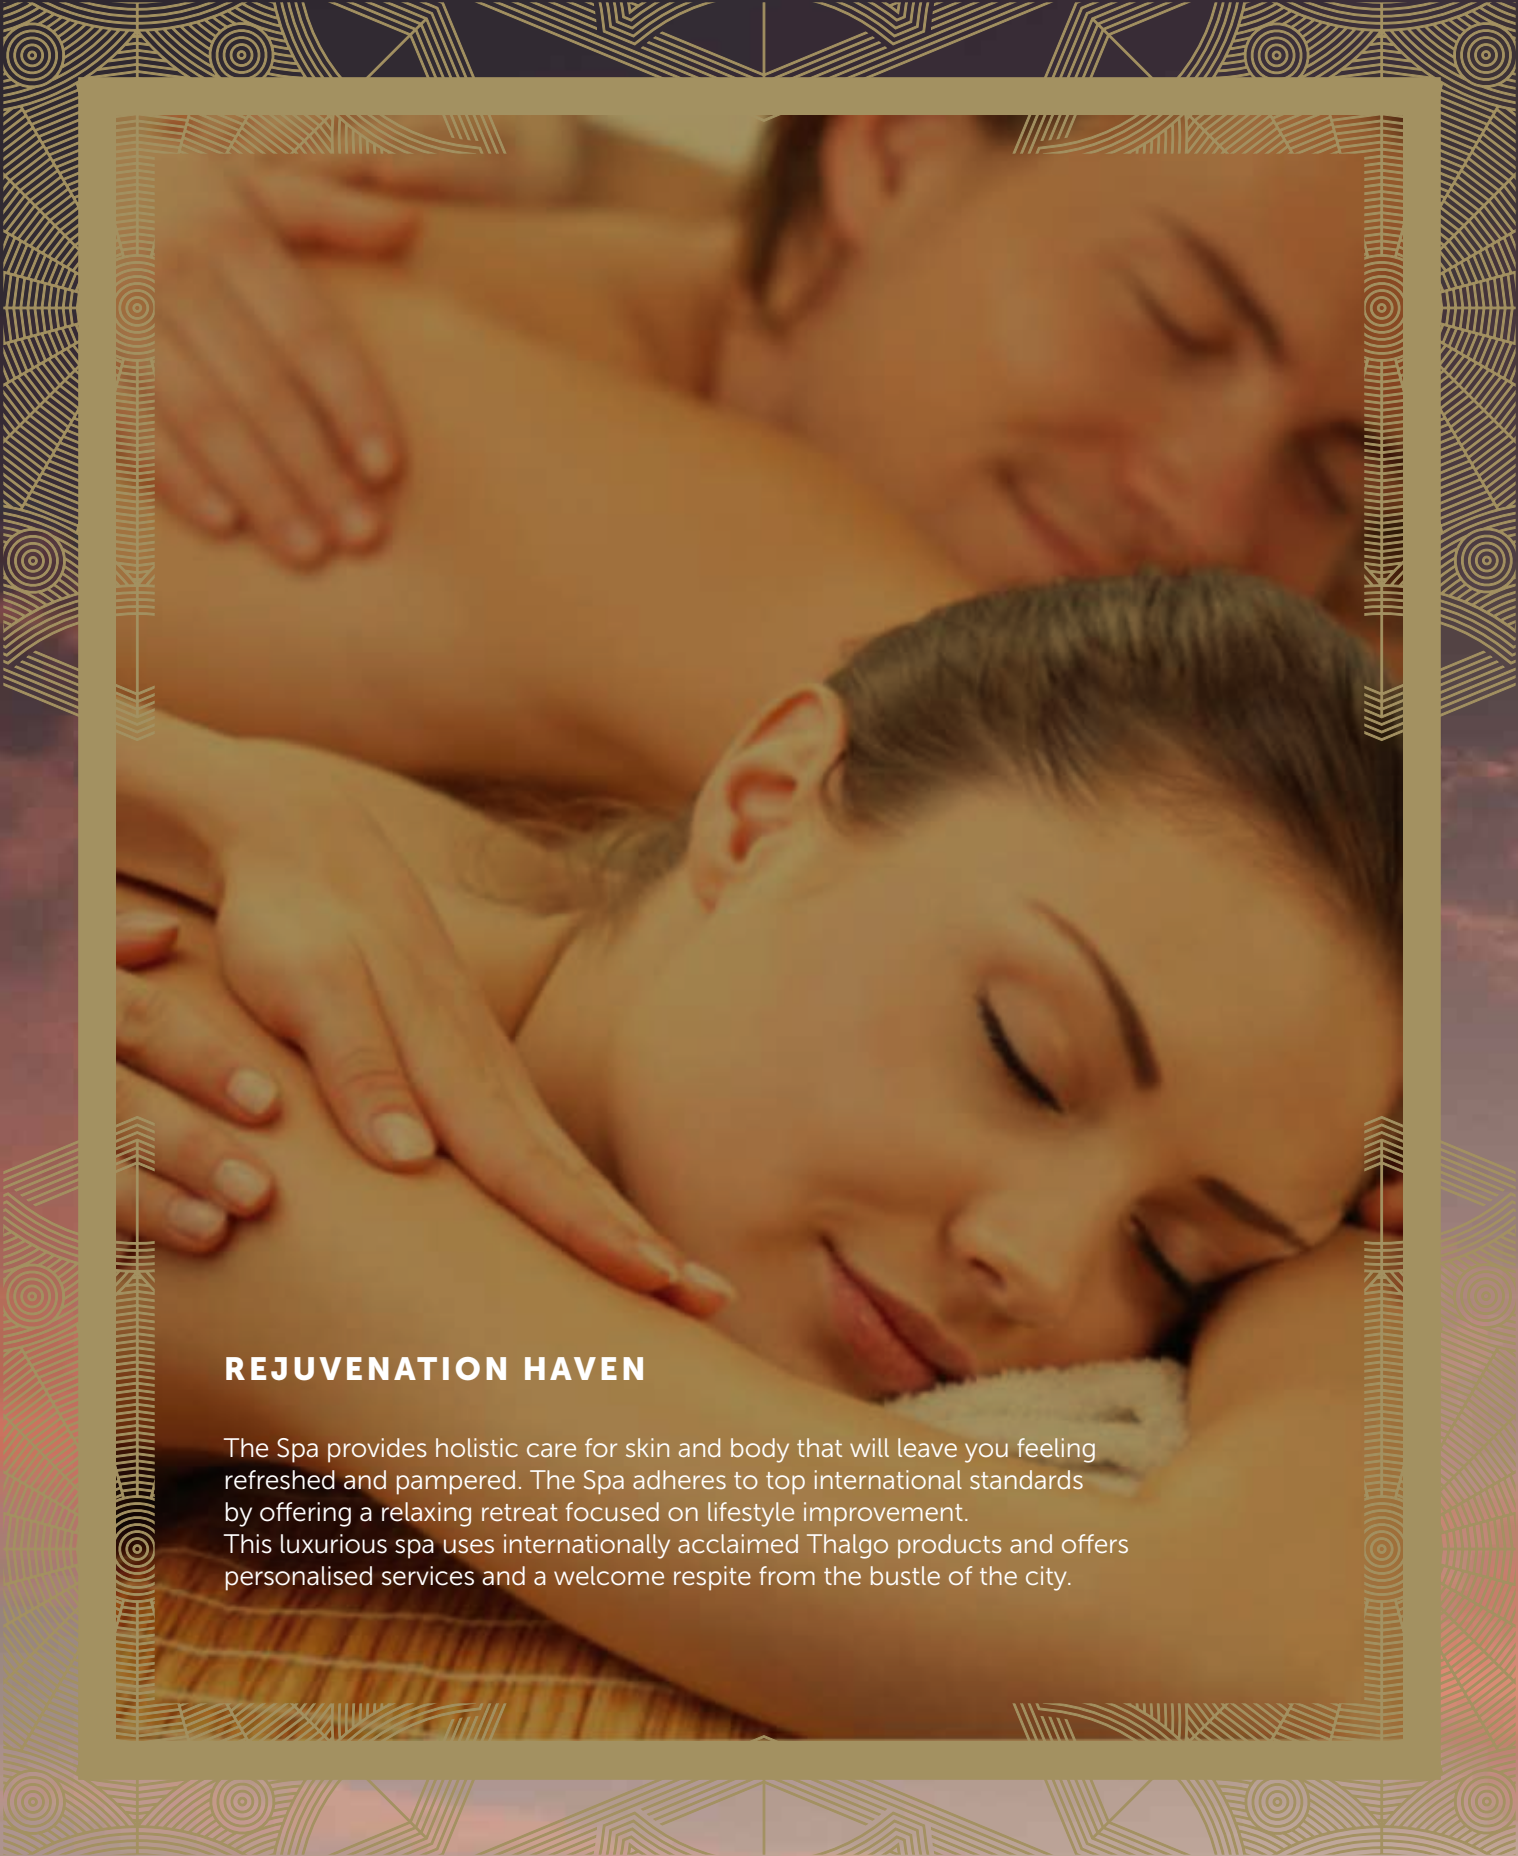

**DIVE INTO THE FINER DETAILS**

The luxurious oxygenated and heated hotel pool is surrounded by a mahogany pool deck with chaises longues, where guests can relax after a rejuvenating swim or a dip in the Jacuzzi.

**NATURE’S SOURCE OF GOODNESS**

The Cape’s exquisite ecosystem boasts a diverse array of native plants that can be used creatively to enhance the flavours of foods, and even define dishes. The Chefs of The Table Bay regularly forage for herbs and plants to use in the kitchen, incorporating seasonal plants such as edible flowers like Hibiscus blooms with their cranberry-like flavour and citrus overtones, as a colourful and delightful addition to salads. Guests are encouraged to discover what foraging is all about by participating in The Table Bay Food Foraging Tour, where guests can explore all the rich natural ingredients the Cape has to offer.

**REJUVENATION HAVEN**

The Spa provides holistic care for skin and body that will leave you feeling refreshed and pampered. The Spa adheres to top international standards by offering a relaxing retreat focused on lifestyle improvement. This luxurious spa uses internationally acclaimed Thalgo products and offers personalised services and a welcome respite from the bustle of the city.

## CONTEMPORARY CAPE CHARM

Situated between Robben Island and Table Mountain in the heart of Cape Town's working harbour, the Victoria & Alfred Waterfront has become South Africa's most visited destination. The Waterfront offers magnificent sea and mountain views, exciting shopping and a variety of experiences to entertain and delight.

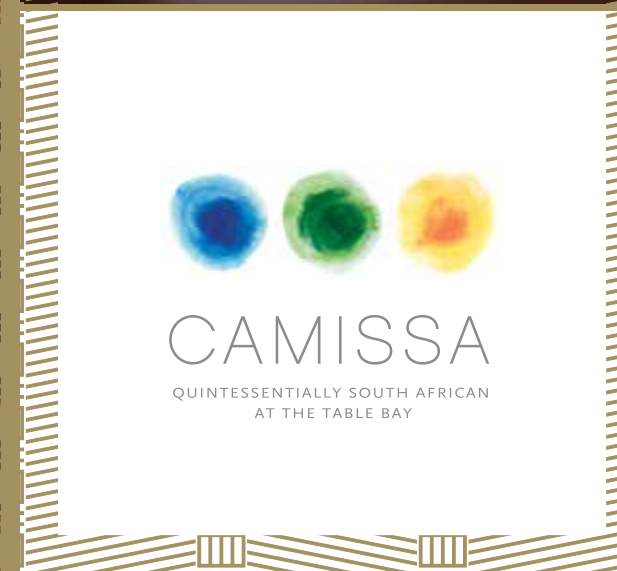

# CULINARY DELIGHTS

Cape Town is known the world over for being a food-lover's destination. Take advantage of the city's gastronomic reputation and enjoy a wide range of restaurants and eateries at The Table Bay and Victoria & Alfred Waterfront.

## DINING SPLENDOUR

Camissa Brasserie named after the Khoisan word for Cape Town, offers diners a relaxed and sensory experience, while overlooking the busy, working harbour inside the scenic Victoria & Alfred Waterfront. The interior testifies to its brasserie roots through the creative use of cast iron tables and hints of art deco lighting and artwork. In the kitchen the Chefs of The Table Bay are dedicated to creating cuisine that is reminiscent of South Africa's cultural heritage to provide an unforgettable culinary experience.
