### Monday, July 13, 2026 | "Hidden Budapest" Tour

Budapest is one of Europe's most regal and storied cities—and many of its iconic sights are just off the banks of the Danube. Often described as the "Queen of the Danube," Budapest is well-known for Fisherman's Bastion, Buda Hill and its magnificent Hungarian Parliament building. However, this sprawling city is full of rich history and culture and offers many "hidden" treasures as you venture further past its river banks. During this excursion, your guide will take you deeper into the city to discover fascinating sites lesser-known to the average traveler.

*Overnight Marriott or Dorothea Hotel, Autograph Collection (or similar) (B)*

### Tuesday, July 14, 2026 | Depart Budapest
